

My Medieval Mile

Welcome to the Medieval Mile!
This church was built 100s of years ago
by the people of Kilkenny's Medieval Mile.
Enjoy your visit with this family activity sheet!

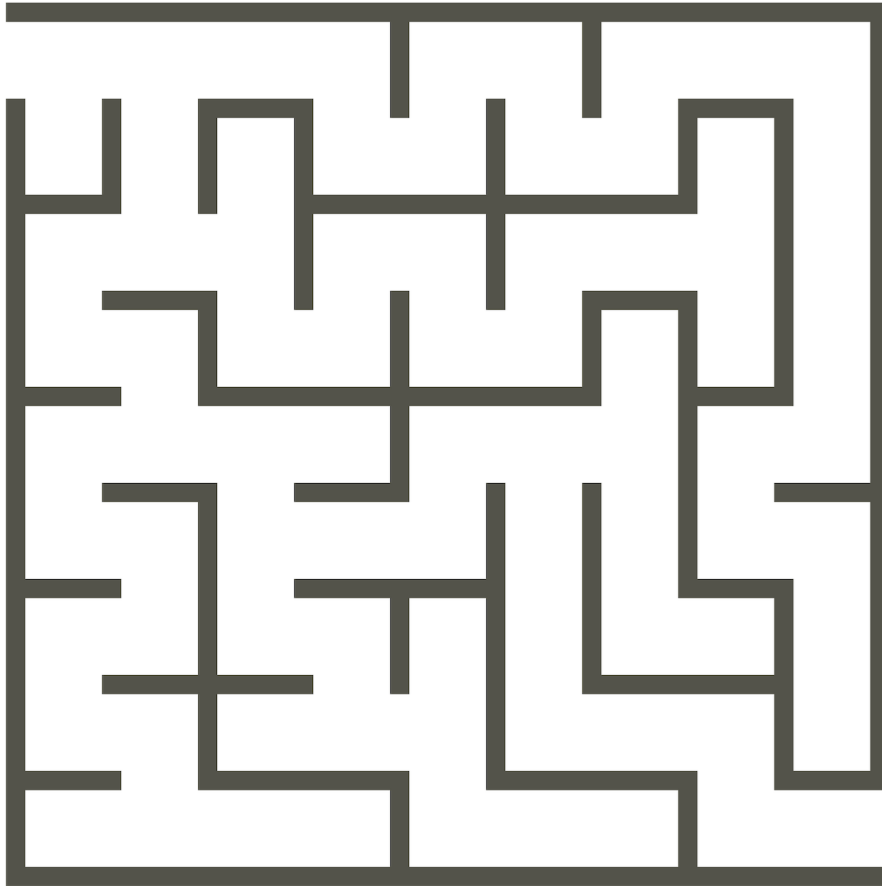

Who are you?

In the early medieval times, knights painted symbols on their shield so people could see who they were. Design your own shield to show us who you are - use your favourite colours, shapes and even animals!

Going To Market

Mary is going to market - can you help her fill her basket?
Match up the items on her list with the pictures below

- 1 cheese
- 2 bread
- 3 fish
- 5 apples
- 6 eggs
- 2 onions

Portuguese Tiles

The walls in the museum are all white, but long ago some of the walls were covered with these beautiful blue and white tiles. Like a jigsaw we can piece them together to see what the original pattern was!
Colour in your own wall tile here.
